

KAVYA SHREE B R

Student

PROFILE

I am Kavya Shree, a driven and passionate individual currently pursuing my BSc Computer Science degree (2nd year). Alongside my studies, I have been working as a part-time programmer, honing my skills in Java, HTML, C, and C++. With a strong foundation in programming and web development, I aspire to become a skilled Web Developer, leveraging my technical expertise to create innovative and effective web solutions.

OBJECTIVE

"To secure an entry-level IT position and grow professionally."
